Led by Apostle: John Alley

"John Alley is the Senior Minister of Peace Apostolic Ministries, and leads a great team of people at Peace Christian Church in Rockhampton, Qld. He and his people have travelled extensively in ministry working in over 40 nations, and John has written wonderful books with his teaching valued all over the world. He maintains many close relationships with pastors and churches throughout Australia and across the world, and is the spiritual father to leaders of networks of churches in other nations including Indonesia, Cambodia, the Solomon Islands, the Philippines, Kenya, and others. John is a spiritual father to many, and has apostles and other leaders as spiritual sons in Australia, Asia, Africa, North America and Europe. He carries a genuine spiritual authority with deep peace and the gentleness of Christ. With a God-given ability to explain things clearly, he brings understanding of the Scriptures and spiritual truth within reach. He has written three major books, The Apostolic Revelation, The Spirit of Sonship, and Building An Apostolic People. He is presently writing a fourth, to raise a proper discussion regarding the essential restoration of City Elderships. Everyone who knows John regards him as an authentic apostle of Jesus Christ. In ministry for 42 years, leader of Peace since 1988, he founded Central Queensland Christian College and Peace International Mission in 1993, and Peace Aviation in 2006. John flies his own aircraft and has an instrument rating. Married for 44 years, his wife Hazel has walked closely with him in the Holy Spirit, in the fellowship of prayer, and in the ministry during all these years, and they have eight children and 14 grandchildren."
