

Preterism – Antichrist

“In addition, the early church fathers equated the Beast, the Man of Lawlessness, and the Antichrist, teaching that he will be destroyed at the return of Jesus Christ.”

“The testimony of Scripture and the traditions of the early church harmonize and consistently teach a future appearance of a personal Antichrist. These witnesses demonstrate that the Antichrist is the one identified by 666, the Beast, and the Man of Lawlessness. Applying the term “Antichrist” to this individual appropriately summarizes his character, corroborating the clear teaching of the Bible and the testimony of church history. In addition, the writings of the early church fathers provide evidence of a future restored Jerusalem and Third Temple, which will be made desolate by the Antichrist.”
